JUMP HEIGHT CARD POLICY

Jump height cards are no longer required to be submitted with the entry form. The entry form has a check box to indicate if the dog needs to be measured. It is the owner’s responsibility to understand the rules, and if the dog needs to be measured, it is the owner’s/handler’s responsibility to ensure that the box on the entry form is checked, and that the dog is measured prior to running. Failure to do so could result in the cancellation of any qualifying scores. If you are unsure, contact the trial secretary for assistance.

The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. **The walk-thru schedule will be provided in your final confirmation. Walk-thrus will be split in accordance with COVID safety requirements.**

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. This area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

- A beautiful AGCH rosette and bar will be awarded to dogs that achieve the AGCH title.

NOTICE TO EXHIBITORS

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. There are trash cans around the facility for poop disposal.

SAFETY, BEHAVIOR and LIABILITY

- **The safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.
- **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the event committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The AOC and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. AOC reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the AOC or any official thereof.
- **All dogs must be on leash** at all times when on trial grounds except when in the designated warm-up area, the fenced potty area, or competing on the course.

REFUNDS*

Refund of entry fees if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee is at the Club's discretion. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Event Committee.

Bitches in season are not permitted to compete in Agility Trials. As such, the club will refund the entry fee paid for bitches unable to compete for this reason, minus \$3.50 per run, upon presentation of a veterinarian certificate on the clinic's letterhead. This certificate must be presented with the refund request to the Trial Secretary prior to the start of judging on the first day of the trial or cluster of trials.

Injuries: Should your dog receive an injury and need to withdraw from the trial, we will refund your remaining entry fees minus the \$3.50 per run, upon presentation of a certificate from a licensed veterinarian on the clinic's letterhead. This certificate must be presented with the refund request to the Trial Secretary prior to the start of judging on the first day of the trial or the start of judging on the day following the injury if it occurs at the trial.

RINGSIDE

- **Dogs may arrive** any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class. All dogs not needed for further judging will be excused.
- **Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

For Exhibition Only (FEO) entries will be offered in the FAST. The handler must notify the scribe and the judge as they enter the ring prior to the start of the run that they are doing an FEO run.

MOVE-UPS

Dogs may be moved up to a higher class as a result of qualifying for an agility title, provided that request is made by the owner to the Trial Secretary no later than **Monday, Jan 17th @ 6 p.m.** via e-mail, letter or fax.

Move-ups over the weekend will be accommodated, provided the information is received **before** the trial ends each day. Forms will be available at the trial.

AGREEMENT

I certify that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered. In consideration of the acceptance of this entry, I (we) agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this event, and any additional rules and regulations appearing in the premium list of this event and entry form and any decision made in accord with them. I (we) agree that the club holding this event has the right to refuse this entry for cause which the club shall deem sufficient. I (we) certify and represent that the dog entered is not a hazard to persons or other dogs. In consideration of the acceptance of this entry and of the holding of this event and of the opportunity to have the dog judged and to win prizes, ribbons, or trophies, I (we) agree to hold the AKC, the event-giving club, their members, directors, governors, officers, agents, superintendents or event secretary and the owner and/or lessor of the premises and any provider of services that are necessary to hold this event and any employees or volunteers of the aforementioned parties, and any AKC approved judge, judging at this event, harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or about the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim; and I (we) further agree to hold the aforementioned parties harmless from any claim for loss, injury or damage to this dog. INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SIGNATURE of owner or his agent duly authorized to make this entry.

INCOMPLETE OR INVALID ENTRIES

Please be aware that Licensed trial secretaries are not allowed to accept incomplete or invalid entries. The following is from the AKC's directive to Trial Secretaries:

"Incomplete/Erroneous Entry Forms: A Trial Secretary may NOT make assumptions as to which class(es) or jump height an exhibitor wishes to enter. Examples include:

Multiple jump heights circled

A jump height that does not make sense based on what was written as the dog's "height at withers"

A mixture of regular and preferred classes circled on the same entry

If an exhibitor's entry form is unclear, incomplete, or erroneous, it is an invalid entry and should not be accepted. At this point, the Trial Secretary only has two options:

- a) Communicate with the exhibitor via email and/or phone explaining what issues exist
- b) Return the invalid entry.

A Trial Secretary may NOT send a confirmation email to the exhibitor, making assumptions, asking that the exhibitor confirm that the assumptions are correct by reply email. At this point, you do not have a valid entry, therefore you should not be entering that exhibitor/dog into the trial, reserving class run counts, or sending an entry confirmation (especially a confirmation that is conditional upon receiving a reply).

Any changes to an exhibitor's entry form must be made in writing – a reply to your email communication is acceptable, at which time, having heard from the exhibitor, you may complete the entry so long as they respond prior to the closing date/time of the event. If you do not hear back by the closing date/time, you must return the invalid entry."

Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$25 collection fee to the amount of each returned check. Subsequent returned checks from the same exhibitors may result in their being put on a CASH ONLY basis.

PERSONAL BELONGINGS

The Atlanta Obedience Club and Radda's K9 Campus will not be responsible for any lost, damaged, or stolen items left at the show site.

FAST CAT!

We are having FAST CAT runs at this trial! All entries, questions, etc. should be directed to Speed Dog Coursing. Their website is:

**** SETUP ON THURSDAY ****

There will be no crating in the building unless you arrange to rent one of the indoor kennels. Reservations must be made directly with Radda's K9 Campus. No Setup in the parking lot before 3 p.m. on Thursday.

With outdoor only crating, propane/patio heaters will be permitted!

ETTIQUETTE IN THE BUILDING

The space at Radda's building is tight. This shouldn't need to be said, but you must keep your dog on a tight lead at all times in the building! Do not allow your dog to lunge at people or other dogs at any time! There have been multiple incidents at other venues, and people are getting less tolerant of these situations. PLEASE do not provoke a bench committee against your dog.

COVID Rules

Please be aware that by entering and attending a trial, you are putting yourself at greater risk for exposure to the Coronavirus than if you stayed at home. The Atlanta Obedience Club will be following state and local mandates at the time of our event. In addition, we have put together a list of rules and guidelines that will be used at our trial to do our best to keep everyone safe. Updates will be provided prior to closing on our website. If you feel that you cannot abide by the rules and guidelines listed below, please do not enter our trial. By signing your entry form, you and any family you bring with you, agree to follow these rules. Failure to do so could result in disqualification from the trial with no refund of entry fees or RV fees.

- We highly recommend limiting your potential exposure to the virus in the 2 weeks preceding the AOC trial.
- If you are sick or have been exposed to anyone who is currently sick, is suspected being sick, or has tested positive, you MUST stay home. You must notify the club by Thursday, January 20, 2022 to receive a refund. If you become ill during the event you MUST notify the Trial Secretary or Trial Chair and then immediately leave the trial. Please do not risk anyone's health for a dog trial.
- Masks are not required in the building. We respectfully ask that if you are not vaccinated, please wear a mask in the building.
- There will be no crating allowed in the building unless you arrange to rent one of the boarding kennels. Reservations must be made directly with Radda's K9 Campus. Propane/patio heaters may be used outside the building. Chairs are allowed for spectators in the building within designated areas.
- Course maps will be posted on our Club website, the Facebook page 'AOC Agility', the Agility Gate app, and outside the building at the trial.
- We will be using the Agility Gate and the Remind apps to help keep you up to date on the running of the trial. You will find information about this on our 'AOC Agility' Facebook page and in your final confirmation.

We look forward to seeing all of you at our trial!

- There will be one door for entering the building and one door for exiting the building. The exit door will be just outside the ring exit. There will be a table in the finish area where you may place any toys, treats or additional leash/harness you will need after your run. As per AKC rules, you must enter and exit the ring with a leash on your dog.
- RIBBONS will be awarded as always. We ask that you please use the provided hand sanitizer before collecting your ribbons and stickers. Please notify the gate if running for a MACH, PACH, or PAX.
- This is still a challenging time for us all. Simply putting on a trial is hard. We are going to ask you to please be respectful of everyone while you are at our trial. We love all of you and your dogs. That is the reason we are putting on this trial. That said, we take this virus very seriously and we expect that you will do the same while you are with us during the trial.
